Dear Mr. Weisberg:

I heard over the radio that you had a paper back called OSWALD IN NE[illegible]

and hope it will be enpugh to cover mailing.

I would appreciate this book. My brother was killed two months before the President and he had been there before also and I am trying to find out if I can put any of the circumstances together. Also a friend of mine was in New Orleans and saw Oswald handing out phamplets on a street c[illegible] However, Oswald disappeared before he could get to him.

Thank you so much.
